

PHOTOVOLTAIC MODULE LIMITED WARRANTY

Trina Solar Energy Co. LTD (hereafter is simplified as Trina Solar) warrants to the first consumer purchaser that this Trina brand product TSM-175 (the product), when shipped in its original container, will be free from defective workmanship and materials, and agrees that it will, at its option, either repair the defect or replace the defective Product or part thereof with a new or remanufactured equivalent at no charge to the purchaser for parts or labor for the period(s) set for the below.

This warranty does not apply to any appearance items of the Product nor to the additional excluded item(s) set forth below nor to any Product the exterior of which has been damaged or defaced, which has been subjected to misuse, abnormal service or handling, or which has been altered or modified in design or construction.

In order to enforce the rights under this limited warranty, the purchaser should follow the steps set forth below and provide proof of purchase to Trina Solar.

The limited warranty described herein is in addition to whatever implied warranties may be granted to purchasers by law. ALL IMPLIED WARRANTIES INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE ARE LIMITED TO THE PERIOD (S) FROM THE DATE OF THE PURCHASE SET FORTH BELOW.

Neither the sales personnel of the seller nor any other person is authorized to make any warranties other than those described herein, or to extend the duration of any warranties beyond the time period described below on behalf of Trina Solar.

The warranties described herein shall be sole and exclusive warranties granted by Trina Solar and shall be the sole and exclusive remedy available to the purchaser. Correction of defects, in the manner and for the period of time described herein, shall constitute complete fulfillment of all liabilities and responsibilities of Trina Solar to the purchaser with respect to the Product and shall constitute full satisfaction of all claims, whether based on contract, negligence, and strict liability otherwise. In no event shall Trina Solar be liable, or in any way responsible, for any damages or defects in the Product which were caused by repairs or attempted repairs performed by anyone other than Trina Solar or authorized servicer. Nor shall Trina Solar be liable or in any way responsible for any incidental or consequential economic or property damage.

WARRANTY PERIOD FOR THIS PRODUCT:

The warranty period for material defects and workmanship is two years from the date of purchase. The warranty period with respect to power output continues for a total of 25 years from date of purchase, the first 10 years at 90% rated power output at STC and the balance of 15 years at 80% rated power output at STC.

This warranty is transferable when product remains installed in original location at the time of product warranty registration.

Additional Item(s) Excluded from Warranty Coverage

Warranty coverage does not apply when:

- a) The Product is improperly installed,
- b) The Product is installed in a mobile or marine environment, subjected to improper voltage or power surges or abnormal environmental conditions (such as acid rain or other pollution),
- c) The components in the construction based on which the module is mounted are defective
- d) External corrosion, mold discoloration or the like occurs
- e) Defects caused by the Product being subjected to any of the following: extreme thermal or environmental conditions or rapid changes in such conditions, corrosion, oxidation, unauthorized modifications or connections, unauthorized opening or repair, repair by use of unauthorized spare parts, accident, force of nature (such as lightning strike), influence from chemical product or other acts beyond Trina Solar reasonable control (including but not limited to damage by fire, flood, etc.)
- f) Death or injury to persons resulting from any cause other than negligence of Trina Solar, its employees or representatives; and
- g) Incidental, consequential or special damages such as loss of use, loss of profits, revenues, business, goodwill, damage to reputation or expensed payable to a third party.

What to do to claim warranty: . Be sure to have Proof of Purchase available such as the receipt. If you ship the Product, be sure it is insured and packaged securely, Trina will not be responsible for the costs of transportation for return of the Product or for reshipment of any repaired or replaced Product or costs associated with installation, de-installation or reinstallation.

In case of any discrepancy in a warranty-claim, a first-class international test-institute such as TUV Rheinland in Cologne / Germany shall be involved to judge the claim finally”
